Tablica veličina prikazuje tjelesne mjere i pomaže pri izboru odgovarajuće veličine / The size chart shows body measurements and helps you choose the right size

Odabir ispravne veličine ključan je kako biste osigurali da vaša radna odjeća dobro funkcionira te da vam pruža udobnost i zaštitu. Za najpreciznije pristajanje preporučujemo da vam netko pomogne pri mjerenju. Obavezno mjerite blizu tijela i ne zaboravite provjeriti duljinu nogu. / Choosing the correct size is essential to ensure your workwear performs well and keeps you comfortable and protected. For the most precise fit, we recommend having someone assist you with taking your measurements. Be sure to measure close to the body, and don't forget to check your leg length.
