Tablica veličina prikazuje telesne mere i pomaže pri izboru odgovarajuće veličine / The size chart shows body measurements and helps you choose the right size

Izbor ispravne veličine neophodan je kako biste osigurali da vaša radna odeća dobro funkcioniše i da vam pruža udobnost i zaštitu. Za najprecizniji odabir preporučujemo da vam neko pomogne pri uzimanju mera. Obavezno merite blizu tela i ne zaboravite proveriti dužinu nogu. / Choosing the correct size is essential to ensure your workwear performs well and keeps you comfortable and protected. For the most precise fit, we recommend having someone assist you with taking your measurements. Be sure to measure close to the body, and don't forget to check your leg length.
